Police Crime Report

For the Week Ending June 3, 2018

Tips of the Week:

The Rockville City Police Department would like to provide residents with a few Summer Crime Prevention Tips:

Bicycle/Lawnmower Theft Prevention Tips

- *Always lock your bicycle to a stationary object. The best locking device to use is a hardened steel u-shaped lock. (Chains, locks, and cables can be easily cut or broken.)*
- *Make sure both wheels are locked and remove any accessories that can be easily taken.*
- *Keep your lawn mower in a locked garage or shed.*
- *Record makes, models, serial numbers and descriptions and keep this information in a safe place.*

Yard Security

- *If you are working in the yard, make sure your front, rear, and garage doors are locked.*
- *Don't keep ladders or other equipment in the yard that could be used to gain access to your home.*
- *Keep shrubs, bushes, hedges maintained and trimmed so they are not used as hiding places.*
- *Residential lighting should be used to light up home entry points. Motion detector lights are an inexpensive deterrent for areas where continuous lighting is unnecessary.*

Home Security

- *Do not advertise your vacation plans. Have a trusted neighbor, friend or relative stop by to check on your house while you are away. Stop your mail and paper deliveries.*
- *Set timers and place in rooms that you would normally use when you are home to simulate that someone is there during your absence.*

Help us help you, by staying safe and not becoming a victim.
