

TRASH COLLECTION

Regular refuse and recycling are collected on THURSDAYS for King Farm residents.

The City of Rockville provides once-per-week curbside recycling, trash, and yard waste collections for single-family homes and townhouses in the community. *For updates regarding the City of Rockville and trash collection, please visit the [Management E-Mail Bulletin](#) page on our website or www. kingfarm.org/trash/*

TRASH CONTAINERS MUST BE STORED INSIDE GARAGE/FENCED AREA AND/OR AWAY FROM OPEN VIEW*

**Homes that do not have either a garage or approved shed shall store trash containers either inside the Living Unit or as close as possible to the rear wall of the alley or rear side of the Living Unit on non-collection days.*

Place trash/recycling carts at the curb or alleyway the night before collecting, but NO later than 6:00 AM on collection day and put away by the end of the collection day.

- Make sure your cart is not blocking mailboxes, lids are closed, and wheels are to the curb.
- Do not overflow refuse carts.
- Plastic bags go into the gray trash cart.
- Plastic bags can be recycled in nearby grocery stores.
- Recycling is placed in the brown carts.
- Do not put recyclable materials in the refuse cart.
- Place pest-infested yard waste and invasive plant species in the trash cart.

**** Animal disposal is collected by *Animal Control* by calling [240-314-8930](tel:240-314-8930).**

**** Explosives and Ammunition** are collected by Rockville **Police** by calling [240-314-8900](tel:240-314-8900)

BULK TRASH COLLECTION

Rockville provides special bulk waste collections by appointment ONLY.

Alternatively, you can drop off bulk waste at the [Montgomery County Transfer Station](#). Bulk waste collections are for large waste that does not fit into carts, such as a couch or desk. ***Bulk Refuse Items may include*** metal, household hazardous waste, electronics, furniture, debris, etc.

Please call the City of Rockville at [240-314-8568](tel:240-314-8568), email recyclingrefuse@rockvillemd.gov, to schedule an appointment for a bulk pick-up.

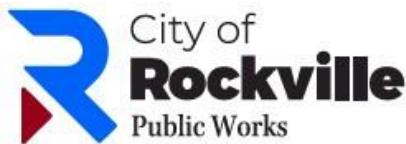

Visit <https://www.rockvillemd.gov/FormCenter/Public-Works-8/Apply-for-Backdoor-Recycling-and-Refuse--269> to schedule a bulk pick up using the online form.

- Once you contact the city, they will let you know your pickup date. On the pickup date, place items at the curb by 6 a.m. in an unobstructed area that is away from parked cars, tree limbs, fire hydrants and overhead wires.
- Limited to six special bulk waste collections per household each calendar year.

Missed Collection?

There are a few reasons why your recycling, trash, or yard waste may have been missed, but most commonly it's because collections lands on a week with a *Special Holiday*.

Special Holiday: During holiday weeks, collections could be delayed by one day depending on your pickup day. Check the holiday collection schedule above or view online at www.rockvillemd.gov/301/HolidaySchedule.

Your collection day is **Thursday**

Shaded days are your recycling, trash and yard waste collection days.
BLUE days are city holidays.

When a city holiday falls on Monday, your collection for that week will be on Friday unless otherwise noted.

For information, call the recycling and trash line Monday-Thursday 7 a.m.-4:30 p.m. at **240-314-8568** or visit rockvillemd.gov/recycling-trash.

If your recycling, trash, or yard waste was not collected,
Please call **240-314-8568**.

PRE – APPROVED TRASH SHEDS

Listed below are the pre - approved trash sheds. All other trash sheds will require ADT (Architectural Design Trust) approval.

STORAGE SHEDS. Trash storage sheds which are located in a rear yard, and which are not visible from a street, other than an alley, are permitted, subject to the following. Front yard and side yard locations are prohibited. Free-standing storage sheds or storage sheds attached to a fence are permitted if located in a rear yard and if not visible from a street, other than an alley. Storage sheds which are to be attached to a Living Unit should be of a scale which is compatible with that of the Living Unit, should be of a compatible architectural design and should utilize finish materials and colors similar to the Living Unit to which attached.
